

Traveler 900 Wireless Notebook 2.4GHz Mouse

It's time to experience a quality and stylish notebook mouse from the latest generation of the classic Traveler series from Genius~ *Traveler 900* which provides more user friendly features and is easy to carry along with a notebook.

It features the "Turbo scroll" function for instant browsing over long page documents or Internet pages and the advanced 1600 dpi optical engine, Traveler 900 has great movement control as well as an excellent anti-interference feature with its advanced 2.4GHz wireless solution. Plus it includes a pico dongle that can be stored inside the mouse when you travel. And the power saving solution is designed for an extended battery life for up to eight months.

Thus, for a true mini and streamline mouse, there is nothing better than *Traveler 900*. It is available in piano black, silver, diamond ruby, champagne gold and blue gem to match perfectly with any contemporary notebook environment. Contact your sales representatives now for more information.
